Bailey & Company is proud to announce that our affiliate, McGohan Brabender, has just launched its very own podcast. *Side Affects: Disrupting Health Care* delivers a unique blend of current benefit strategies and leadership insights. CEO, Scott McGohan, and shareholder, Anne Marie Singleton, discuss with industry experts how businesses can transform the workforce through health management and leadership. Their goal is to provoke ideas for new strategies that will reduce risk, lower claims and deliver a healthier population.
